Health Insurance

By Massachusetts state law, some students who register for college courses may be required to purchase health insurance if they are not covered by a comparable health insurance policy. Many students may already have comprehensive health insurance.

All students who are enrolled in 9 or more credits in the Fall or Spring semester, or who plan to enroll in 9 or more credits in a semester (generally 3 courses), are required to have basic health insurance. By law, Quincy College automatically charges all students who are registered for 9 or more credits with this health insurance fee. If a student has comparable health insurance (most HMO and PPO plans qualify), then the student must complete a waiver online for the College to remove these charges from the student's account. If you have any questions, please contact the Quincy College Business Office at 617-984-1630.

Note: The Massachusetts Free Care Program (Free Care) is not acceptable as qualified student health insurance.

Student Health Insurance Waivers must be submitted online at www.universityhealthplans.com.
